1. I have given you the land and do you know what I mean when I say I've given you the land? I mean I have given you the land tangible, intangible, seen and unseen and all that's in/on it for My kingdom, in the kingdom of this world and the kingdom of heaven being, simultaneously but seemingly is and yea all given and understanding you are in moments now; moments divided by moments, yea moment divided by moment. I love you. Seen and unseen. Thank you. Amen.

2. The beginning has begun and there is no stopping it/Me now. Irreversible, unstoppable and unendable.

3. I am light, life, and the Father of all serenity in My gardens of Me, My heart, and how else shall I now image-er-ize My hormones with you? Yea in perfect gifting, craftsmanship, yea My word made flesh, or man? I love you.

4. I see you. Do you Me?
Yea and amen beholding the lands many and now many and who come forth.

5. Your leadership expands explodes and all known and open you now take belief in Me to a new level not, bowed surrender to the King of creation who knows neither shadow or death. See what I have said and who kills who with shadows and lies?

6. Who is righteous, evil?
Who can see, determine, and in their own mind.
Is it life or deterministic evaluation of interrogistic evaluation systemized with statically increasing darkness?
Who can see? Who wants to?
Who wants Me?
I do.

7. Who can spell covenant, cloud, fire, and see mountains shake: gray matter resolve into only Me?

8. Who can see, who wanteth sight real, true?

9. Yea into Me see all and through all see and walk, fly, and emergent Me knoweth no bounds. My love is endless.

10. Who judgeth who? Me.

11. Oh now exploded one I lift you for you see/desire only to lift My love higher. Thank you.

12. Is My hair long or short; do I have any?

13. Ask what you will and it shall be done for you, My thought, for yours only reflects/is Mine now. Amen.

14. See what I have given and amen not but rejoice for name is written in My heart and My name your forehead is. Thank you.
Glowing and never un. Thank you.
Intimacy'd one of intimacy one'd. I love you. Good day.
